WRIT PETITION No.19001 of 1998

ORDER:

This writ petition is filed for a Writ of Mandamus to direct the respondents to regularize the services of the petitioner in the post of sub-staff on regular scale of pay on par with the other regular incumbents with effect from such date as is deemed fit with all arrears of pay and other consequential benefits.

At the hearing, Dr.K.Lakshmi Narasimha, learned counsel for the respondents has submitted that the respondents have prepared a list in pursuance of the settlement arrived at between the respondents and the union and they have been strictly following the said list in absorbing the casual labour/temporary employees of the respondents. He further submitted that so far twenty five persons have already been absorbed from within the list prepared and the petitioner is at serial No.45. He further submitted that as and when the petitioner's turn comes for absorption, he will be absorbed into service of the respondents.

Learned counsel for the petitioner submitted that the petitioner has no objection if the writ petition is disposed of with a direction to the respondents to absorb the petitioner into service, as and when his turn matures.

In view of the same, the writ petition is disposed of directing the respondents to absorb the petitioner into service on the petitioner's turn. There shall be no order as to costs.
